Dear Dr. Housden and Dr. Marchuk:

Thank you for your letter on July 15, 2025, regarding the integration and sustainability of the nurse practitioner workforce across the country.

Canada's Premiers met in Huntsville, Ontario on July 21-23, 2025, where they discussed a wide range of issues important to Canadians, including the advancement of projects of national interest, reducing barriers to trade and labour mobility, improving health outcomes and navigating Canada-U.S. relations.

For communiques outlining the outcomes from our meeting, please visit www.canadaspremiers.ca/newsroom.

The input of the Nurse Practitioners Association of Canada is very valuable to us. On behalf of my colleagues, I would like to thank you for taking the time to correspond with us.

Sincerely,
